BABY DROWNS IN PART OF A TUB OF WATER

LITTLE BOY THIRTEEN MONTHS OLD LOSES LIFE IN TRAGIC WAY IN PLYMOUTH HOME.

CHILD OF WM. YAZEL

Mother Leaves Infant For a Few Minutes Alone and Returns To Find It Dead In Tub.

Carl Wayne, the thirteen months old son of Wm. Yazel of Nursery street lost his life shortly before 5 p. m. Monday by falling into a wash tub partly filled with water. The mother of the baby had gone across the street to see a neighbor for a few minutes, and upon returning home began to call to the child and look about the house for it. Upon entering the back kitchen she saw her babe lying face downward in a tub containing but a few inches of water. The little one must have crept up to the tub and in some way fallen in. Then, landing with its face downward, could in no way save itself from drowning.

Upon making the discovery the mother nearly gave way to her emotions, but carefully lifted the lifeless form from the water and placed it on the bed. Needless to say her heart is filled with sorrow over the loss of her child in so tragic a manner.

Mr. and Mrs. Yazel have several other older children. The funeral was held Wednesday at 2:30 p. m. at the residence with Rev. Presnell of the Wesleyan Methodist church in charge. Interment will be made in the Jacoby cemetery.

Question of the Church Union.
Although the Indiana Methodist Protestant conference, which adjourned at noon Monday, failed to go on record as favoring the consolidation of the Methodist Episcopal and Methodist Protestant churches in the United States, the conference members favor such consolidation, according to Dr. T. H. Lewis, president of the national Methodist Protestant conference, and the Rev. Wallace M. Martin, representing the North Indiana M. E. conference, who made speeches favoring the union of the two denominations. It has been proposed that the united church be known simply as the Methodist church and this title was favored by the speakers. There is some opposition to the proposed union by certain members of the conference, who do not like to abandon old traditions, but it is not strong. The Rev. Mr. Martin said that he came as a fraternal messenger, from the North Indiana M. E. conference, which, at its meeting in April, adopted a resolution strongly favoring union.
